I argue as follows: 1 if any cybersports count as genuine sports, it will be those most closely resembling uncontroversial core instances of sport, those that essentially involve gross motor skill. Certainly, terror and coercion were not absent from this history: politically unreliable Germans lost their jobs as the industry was coordinated; some foreign tourists were victims of SA Sturmabteilungen or stormtroopers aggression in the violent early months of the Third Reich; Jewish Germans were increasingly. It fails to regulate, monitor, or support policies and programs that ensure school-age children receive equal, accurate, and comprehensive sexual health education, which has been shown to decrease risk-taking in ways that would also reduce cervical cancer risks.
