We are what we are not because of the length of our noses and the size of our heads but because of the circumstances of our birth, our function in society and our own achievements. Sixty-five per cent is not enough, and I point to the examples I just gave.

FROM SCANDINAVIA VIA THE BLACK SEA TO GERMANY (MY EXPERIENCE BY MOTOR-HOME Book 3)

For, instead of keeping it at the same level all the year, allowing Nature to make new shores, it would, of course, be full only a month or two in the spring, when the snow is melting fast; then it would be gradually drained, exposing the slimy sides of the basin and shallower parts of the bottom, with the gathered drift and waste, death and decay of the upper basins, caught here instead of being swept on to decent natural burial along the banks of the river or in the sea. E eu virei um bocado para objetivos um bocado anarquistas, mas aquela anarquia Eu tento respeitar os outros e tento que os outros me respeitem.
